“The School management considers our education service as a key contribution to the community of parents and students who face financial as well as other difficulties, since our school gives admission to even low-achievers in academics thus giving them a fair chance to prove themselves. Our successful academic results reflect that with sheer commitment, hard work and support from teachers, our students can come out with flying colours.”

“Our student's &
teacher's enthusiasm to be global
citizens and the determination to
win, resulted in achieving three
Guinness World Records in 2017,
2018 & 2019 consecutively. It was
a phenomenal display of unity,
tolerance and success of teamwork”
