ACCEPTABLE USAGE POLICY: 2024-2025

Parent Consent Form

As required by the National curriculum, internet and online access has an essential part for educational goals and objectives. India International School ensures that the students and educators avail the internet and other online services in the form of knowledge and opportunities for collaboration. However, the parents and the guardian of the student is liable for conveying and setting the standards that the students should follow. The school supports and respects each family's decision to access internet for the students.

Our comprehensive computing curriculum enfolds a wide range of e-safety concepts for all ages and initiates to deliver your ward with the knowledge, tools and skills required to motivate and assist to secure safe surfing.

The school has e-safety policies in place to endeavor safety measures for students from illegal or offensive materials. Our internet provision is designed to minimize the access of inappropriate content and being inappropriately contacted online. Personal supervised access and internet information may be shown to the whole class as part of curriculum. All internet and other online services will be under supervision of the teacher in charge of the lesson.

Parents are kindly requested to sign the consent form of ACCEPTABLE USAGE POLICY addressed and accept the school policy measures.

PARENT / GUARDIAN

I have read and understood the school ACCEPTABLE USAGE POLICY and give permission for my son/daughter to access the internet and computer service in supervised manner for only educational purpose. I understand that the school will take all reasonable precautions to ensure that my ward abides by the mentioned policy guidelines.
